

Chiropractic Society of Wisconsin
Exercise/Rehabilitation for Chiropractic Technicians
Friday, January 21 – Sunday, January 23, 2022
Fairfield Inn and Suites in Wausau

This certification program will provide an overview of the practical application of physical exercise training in the Chiropractic health setting. The course will be divided into spinal, upper extremity and lower extremity exercise segment and will include the role of physical exercise training in the Chiropractic approach to health. Patient communication and safety will be emphasized. This class is great fun, very hands on, and we will learn a lot. We look forward to seeing you there!
