# Chiropractic Member Benefits

A Health-Benefit Program Designed for Chiropractors

### Simple. Savings.

Our level funded program key advantages:

#### ONE PREDICTABLE MONTHLY PAYMENTS

Your monthly payment is determined upfront and guaranteed not to increase until plan renewal each year as long as there are no changes to your group's benefits or enrollment.

### PLAN ADMINISTRATION AND ACCOUNT MANAGEMENT

Payments of claims, customer service and reporting are all done by Select Administrative Services (SAS), leaving you to focus on more important tasks.

#### **OUALITY BENEFITS**

This employer-established benefit plan meets the "minimum essential coverage" requirements.

Preventive services are paid at 100% when received from in-network providers, as recommended by the Affordable Care Act.

#### **TERMINAL LIABILITY COVERAGE:**

Provides added protection for claims that come in for 24 months after the end of the plan year – and is included with most plan selections.
